

Refrigerated vehicle rental

Choose peace of mind

**They trust us
in South Africa**

Dewfresh®

5 good reasons to trust Petit Forestier.

Unique expertise

Petit Forestier is the only vehicle rental company entirely devoted to refrigeration. This specialisation has been a sign of quality and performance for over a hundred years.

Flexibility, availability and peace of mind

Whether for short, medium or long-term rentals, Petit Forestier is by your side every day, always offering the right vehicle to develop your business with confidence.

Full Service*

For any rental, you enjoy a full service including maintenance, assistance and repairs. Relax, we will take care of everything...

Tailored solutions

We provide fully fitted-out vehicles suited to all your needs and activities. Power tailgate, air curtain, shelves or mobile partitions: rest assured you will have a refrigerated vehicle that is as unique as you.

Security above all else

Security at the wheel involves prevention and adopting responsible driving habits. The training programmes we provide are tailored to closely match your needs.

* Full Service Rental

Full Service rental

We take care of everything, above all you.

Petit Forestier Full Service rental is a comprehensive service including all maintenance, assistance and repairs: you don't have to worry about any operational constraints linked to your refrigerated vehicle.

24/7 Support

Round-the-clock assistance, every day, 365 days/year. Provision of a replacement refrigerated vehicle in the event of a breakdown.

Maintenance

Maintenance of the refrigeration unit, vehicle and accessories.

Spare parts

Provision of tyres, fluids and lubricants.

Servicing

We carry out legally required tests and preventative maintenance on the vehicles and their equipment.

Repairs

Repairs to the bodywork and paintwork, as well as all mechanical repairs.

Customisation

Your vehicle can be customised with your own livery.

Insurance and administrative support

We take care of all administrative procedures: licence renewal, test certificates, legal paperwork, insurance.

Proximity and responsiveness

Thanks to a **strategic and coherent** network, our Central workshop in Johannesburg and our points of service in Durban and Cape Town allow us to respond quickly to all your needs and guarantee you assistance 24 hours a day.
